SUBJECT: PANAMA: "NOT READY FOR GRAY HULLS" UNDER
SALAS-BECKER

REF: PANAMA 933

Classified By: POLCOUNS BRIAN R. NARANJO. REASONS: 1.4 (B) AND (D)

(C) "Panama is not ready to consider deployment of U.S. gray hulled ships in Panamanian waters under (the) Salas-Becker (Maritime Cooperation Agreement)," First VP and FM Samuel Lewis informed Ambassador on December 22. Ambassador had congratulated Lewis on the success of U.S.-Panama consultations to establish standard operating procedures to implement Salas-Becker (reftel). Lewis was shocked that his MFA-led GOP interagency team expressed willingness to consider deployment of U.S. Navy gray hull ships in Panamanian waters under Salas-Becker, regardless of whether or not U.S. Coast Guard Law Enforcement Detachments (LEDETs) were embarked aboard. "We are not politically ready to consider gray hulls," Lewis stated, noting that his negotiating team had gone beyond its instructions.
